Leave a Legacy at the

at Sedgwick County Park!

The Sunrise Boundless Playscape, a community service project of the Rotary Club of West Sedgwick County ~ Sunrise, is a \$1.5 million interactive playground for children of all abilities and disabilities. The Playscape, which was opened in 2008 in Sedgwick County Park, is designed to facilitate play for children with disabilities, enabling them to play side-by-side with their siblings and friends. Rubberized surfacing, ramps and other accessible play equipment make this innovative playground a premier destination for many families in the south central Kansas region.

With the ongoing popularity of the Boundless Playscape, we are currently entering into a new phase of development with plans to replace, update and expand the play areas.

You can be a part of this endeavor and permanently recognize your friends, family, or business associates by ordering a commemorative brick to be installed at the Sunrise Boundless Playscape.
